

DIASOFT
all for real

On behalf of Diasoft I would like to recommend GD Marketing Media as a reliable partner who is ready to go an extra mile in order to deliver all services and products with the best quality while meeting the tightest deadlines and the most complicated customer requirements.

Diasoft has a pleasure of collaborating with GD Marketing Media for the past two years. Serving as an official supplier of corporate giveaways for Diasoft, especially for the key event in Financial Industry, SIBOS, GD Marketing Media managed to design and produce some customized giveaways with very strict requirements to design, quality and timeframe, and, moreover, to deliver them onsite to Diasoft booth at Pall Expo Exhibition Hall in Geneva Switzerland without any delay.

The giveaways produced for Diasoft included special dolphin neck pillows, waterproof wallets for mobile phone, selfie sticks, power banks and others. GD Marketing Media managed to realize all of Diasoft ideas. It is important to mention, that we have never ever picked up the phone for any queries, as GD Marketing Media always provide us with on-time and detailed responses in 24/7 mode (Diasoft is based in Moscow, GD Marketing Media in Singapore). Moreover, the company has very attractive prices to compare with other suppliers.

I would like to say special thanks to our account manager Charles Fong, who turns out to be a person I can totally rely on, knowing she will always respond to all of my requirements and even overcome them.

We would highly recommend GD Marketing Media as a reliable partner for your business and look forward to working with the company again for future marketing campaigns.
